A Star Is Earned

NETWORK Awards Royal The 2016 Rising Star Award

LAS VEGAS, NV – While attending the NETWORK Supplier Trade Show held at Caesars Palace from March 20-23, Royal was awarded the Rising Star Award for continued year over year sales growth.

Both Mike Goeske, National Sales Director, and Brian Campbell, Marketing Support Specialist, were present at the award ceremony to accept the award.

In addition to the welcomed surprise, Mike and Brian both had a tremendous few days with the entire group of distributors gaining market perspective on products and other areas to help Royal continue to grow with NETWORK.

“We had many great meetings with the distributor teams,” said Goeske. “I look forward to acting on the requests and other market intelligence we received from our conversations with our management and sales team members.”

The NETWORK Supplier Trade Show is an annual event where suppliers and distributors meet to discuss business objectives and market opportunities.
